Program graduation requirements:

* Attendance: Every hour of the training counts towards the Yoga Alliance requirements and cannot be waived. Attendance of in-class teacher training sessions or completion of make-up hours and assignments is required, and it is your responsibility to log your hours in your Teacher Training Log. Attendance will be taken at each session. Make-up hours are to be logged on your Teacher Training Log with instructor initials. Maximum number of make-up hours for the program are 20 hours, unless by prior agreement. No more than 5 hours per Module may be missed. *See below for missed class make up policy.*

Please note, you will not successfully pass your program and receive your certificate of completion and diploma until you complete your missed hours. If you miss more than 20 hours you will need to re-take the program, at a 50% discounted price, subject to space availability and future programming, which is not guaranteed.

*Successful completion of homework, quizzes, midterms, written and practical final exams.

*Successful demonstration of ability to teach yoga in a safe and professional manner. You must demonstrate a correct understanding of the postures and appropriate teaching applications for different levels of students.

*Successful demonstration of teaching ability at the required friends and family class.

*Successful completion of mentorship, log to be completed and signed by mentor teacher. Students are required to attend 3 mentorship observations per Module.

*Successful completion of Indigo Yoga Teacher Training hour log including make-up hours and a successful completion of Daily Practice log / Dinacharya log.

*Payment in Full of all tuition monies owed to Indigo Yoga Teacher Training. If you are on a payment plan, your certificate of completion will be withheld until payments are complete.

Make up of missed classes:

Missed class sessions may be made up at the rate of \$85 per hour. The rate may be shared if multiple students share the time (limited to 4 students).

You have two options on how to make up missed time:

- Option 1: Schedule a private session as soon as possible with Zohra. A 2-hour private session equates to five hours of missed class time. Private sessions may be shared with up to 4 other students at this rate. The rate for private sessions is \$85/hour.
- Option 2: You can attend the days you missed in an upcoming Module free of charge. Current Module dates are set for 2019, 2020 & 2021. Dates have been set in advance. However, based on scheduling, they are subject to change.

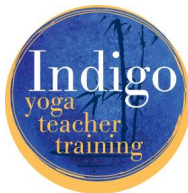

Certification:

Upon completion of this training, you will receive certification only when you pass both the written exam and practicum exam, attended or made up all classes, completed and had your mentorship signed off on by mentors or Zohra, completed all reading and homework, have no money due to Indigo Yoga Teacher Training, and when you have demonstrated the ability to teach in a safe and professional manner. Indigo Yoga Teacher Training reserves the right to withhold certification until you demonstrate correct understanding of the postures and appropriate and safe teaching applications for different levels of students. This certification will allow you to register with Yoga Alliance.

Student Agreement:

Upon your acceptance into this training, we will draft an agreement finalizing your enrollment in the Indigo Yoga Teacher Training.
